Mobile phone.: 87012615208

Work phone number: 33-340

Experience:

From 2005 till present – assistant professor of the Department of management and engineering in the field of environmental protection at L.N.Gumilyov Eurasian National University;

1994-2005. Head of Biology department at O.A. Baikonurov ZhezU;

1991-1994. Teacher of the department at Zhezkazgan pedagogical Institute.

Awards::

silver medal

"The best teacher", Zhezkazgan, 2003,

«letter of gratitude», Zhezkazgan, 2005,

letter of recognition L.N.Gumilyov Eurasian National University, 2009

letter of recognition L.N.Gumilyov Eurasian National University, 2014

Medal "Lev Gumilyov ", Astana, 2016

Scientific degree, scientific school:

Candidate of Biological Sciences, assistant professor. Al-Farabi Kazakh State University. Biology department, Almaty. Institute of Genetics and Cytology of the Academy of Sciences of Belarus

Total work performance – 30 years.

Scientific interests:

Mutagenesis and environment. Environmental education and training. Ecological genetics.

Scientific Grants:

"Environmental assessment of the productivity and capacity of landscapes of Northern Kazakhstan in view of climate change ". Contract No. 45, 12.02.2015.

"Ecotoxicological studies of the hydrobiocenoses of fishery reservoirs of the Yesil basin within the Akmola region". 2015

Courses :

Basics of environmental law, management and marketing (B), Environmental toxicology (B), Environmental metrology and biometrics (B), Environmental studies (B), Mutagenesis and the environment (B), Organization and planning of the scientific process in ecology M) ...

Original courses:

Ecological genetics (B), Mutagenesis and the environment (B), Ecological toxicology (B), Ecological metrology and biometrics (B), Organization and planning of the scientific process in ecology M).
